SENECA FIELD

Price 10c

KENNETH FARMER
Principal

Isn't it exciting to be a part of the fast growing Seneca High School! We are now three years old with a student body of two thousand five hundred ranging from grade seven to our very first SENIOR CLASS.

Seneca has experienced one year of varsity competition and colorful victories have blossomed in every sport. The teams have responded magnificiently to the excellent coaching of a talented, capable staff. Seneca students, teachers, and fans have exemplified enviable school spirit and excellent conduct. The Dad's Club and P.T.A. have done a superlative job in providing bleacher seats during a period of less than one year.

Cooperation, unity, and harmony in this Seneca group have meant victory in the classroom, on the field, and in the spectator department.

So congratulations, students, teams, coaches, and friends for this excellent record of the past. In contests of the future, the competition will become keener and the crowds will be larger. Let's strive at all times to keep the name of Seneca synonymous with good sportsmanship, spirited teams, high enthusiasm and the Golden Rule!
